The undersigned agrees to assume responsibility for all charges on the account from the date of title or agreement. Any changes in the billing name, address, or phone numbers will be notified to R.M.W.D. The undersigned further agrees to notify R.M.W.D. when their responsibility ceases and to provide R.M.W.D. with a correct forwarding address for any closing bill to the account. If, at any time, the account is overdue, R.M.W.D. retains the right, after sufficient notice, to lock the water meter. The account will be charged any applicable late fees, deposit, and unlock fees, in accordance with district policy. If the charges remain unpaid R.M.W.D. retains the right to remove the meter and file a lien against the customer*. To have a meter reinstalled would require payment of all fees applicable to install a new service.

The undersigned agrees to assume responsibility for fire/paramedic service fees and sewer service fees, if applicable, billed by R.M.W.D.

*California Water Code sections 72100 & 72102, allows R.M.W.D. to impose a lien when payment for water service is delinquent. The lien secures unpaid charges. You will be responsible for the unpaid charge, interest, and any associated fees, before the lien will be released. Consult your attorney for more information.
