Additional Development Description

By signing below, applicant acknowledges:

- District Legislative Code 2.44.020 requires a deposit in cash or check to be made to the District to cover District's costs in evaluating potential new services and sufficient to cover all estimated District staff, consultant and legal services in evaluating and acting upon this application.
- The minimum deposit is \$2,000 but may be larger and additional deposits may be requested. The balance on deposit must always be greater than five hundred dollars (\$500.00). Any amount remaining on deposit shall be returned 30 days after final certification of all charges, which usually takes 3-4 months.
- Water and Sewer System evaluations may take more than the typical 4-6 weeks to complete from date of this application depending on District Staff work load and magnitude of project.**
- A WATER OR SEWER EVALUATION REPORT IS NOT A COMMITMENT BY THE DISTRICT TO PROVIDE WATER OR SEWER SERVICE**
- The evaluation report is the property of Ramona Municipal Water District and is available under the Public Records Act, CA Government Code 6250-6270 Per RMWD Legislative code 2.28.010
- DISTRICT STAFF WILL CALL AND REQUEST ADDITIONAL DEPOSIT WHEN THE BALANCE REMAINING IS PROJECTED TO FALL BELOW \$500.00. A LETTER WILL ALSO BE SENT. THE WORK ON THE EVALUATION WILL STOP UNTIL THE REQUESTED DEPOSIT IS MADE. ALSO, THE REPORT WILL NOT BE RELEASED UNTIL THE DEPOSIT ACCOUNT HAS AT LEAST A \$500 BALANCE.**
- That the Applicant accepts all responsibility for payment for any cost overruns or additional deposits requested.**
- Once completed, the study will be valid for a period of two years unless field conditions change.**
